

GOVERNMENT OF THE DISTRICT OF COLUMBIA
Alcoholic Beverage Regulation Administration

ALCOHOL AWARENESS TRAINING PROGRAMS

Though the District of Columbia Alcoholic Beverage Control Board (ABC) recognizes the importance and vitality of the beer, wine and spirits industry in the District of Columbia, it is also understood, that there are many instances of abuse of the product that could be avoided at the point of sale. The ABC Board would like to assist you in avoiding illegal alcohol purchases and to that end has recognized the following alcohol service training programs for retailers. The ABC Regulations require managers and employees who actively participate in the sale of alcohol to the public to enroll in one of the programs. Upon completion of a recognized program, you will receive a certificate of accomplishment that must be filed with the ABC Board. Please select and contact the programs listed below for additional information regarding schedules and fees.
